

Bryan Wagner

- MO State Licensed in Acupuncture
- Diplomate of Acupuncture and Chinese Herbal Medicine , NCCAOM
- Masters of Arts of Oriental Medicine

Bryan is co-owner of Community Acupuncture of St. Louis, embracing a business model that supports working people's access to high quality, affordable Acupuncture. Bryan is a highly respected Acupuncturist who brings a great deal of knowledge to his practice. Complementing his work at the clinic, Bryan facilitates groups and individuals in "The Work" of Byron Katie, a simple process of questioning thoughts that frees the mind. Bryan is also a long time teacher of the Art of Living, bringing greater health and reducing stress through knowledge of the breath.
