

**On March 14th Grand Avenue will close
from I-64(Hwy 40) south to Chouteau
until early 2012.**

To help ease the transition for our patients we are suggesting these alternative routes to our clinic.

Eastbound and Westbound I-64: Consider using I-44 if possible. Exit at Grand, go south one block turn right onto Shaw, left onto 39th to Clinic.

If you must use I-64(Hwy40)

Eastbound I-64: Exit at Vandeventer – turn right (head south), left onto Chouteau, right onto 39th, one block south of Shaw Ave is Clinic.

Westbound I-64: Exit at Grand, continue straight on Forest Park Parkway, turn left on Vandeventer, left onto Chouteau, right onto 39th, one block south of Shaw Ave is Clinic.

East and Westbound I-44: No change.
